WHAT WE DO?

Superior service with a focus in high performance

OUR PROPOSAL

Exclusive and individualized training program
Our **PHYSICAL-TECHNICAL AND BIOMECHANICAL METHOD**
optimizes, maximize, shorten the acquisition of skills times and
significantly decrease the risk of injuries.

MORE ABOUT US

GLOBAL VISION AND MANAGEMENT OF PROFESIONAL TENNIS PLAYERS

- ⇒ We provide an overall view of the development process of each player.
- ⇒ We generate detailed and multidisciplinary diagnostic information.
- ⇒ We realize projections of development goals for 1, 3 and 5 years.
- ⇒ We apply PHYSICAL-TECHNICAL AND BIOMECHANICAL METHOD in which, in the same training session we take part of the technical, tactical, physical biomechanical aspects and the decision-making of each player. This system allows to promote in an effectively and efficiently way the acquisition of new skills and significantly decrease the risk of injuries.
- ⇒ Daily fluid communication and high participation of each team member in the player development process

MORE ABOUT US

INTEGRAL TEAM / MULTIDISCIPLINARY

- ⇒ Team synergy among all members
- ⇒ We constantly interact from different angles improving player global development
- ⇒ We have earned a large experience in the development process of junior and high performance players
- ⇒ Proven results in the incorporation of players into the tennis international circuit
- ⇒ We have an Injury prevention program which constantly monitors and evaluate our players in different areas, ensuring planning training and competition schedule.

MORE ABOUT US

CURRENTLY

- ⇒ We currently have presence in the international circuit of male and female Tennis.
- ⇒ The circuit knowledge allows us to interpret and in consequence anticipate the REAL requests of high performance tennis.
- ⇒ We constantly update ourselves and speak in national and international courses
- ⇒ We promote player sustained growth to optimize financial resources investment
- ⇒ We schedule and plan training sessions and competitions based on the evolution of each player to promote constantly growth through time.
- ⇒ We complete regular reports through exclusive videos of each player where items to develop and improvement skills are highlighted
